

Appy and the Ghost Who Was Afraid of Being Seen

— *An Appy Adventure about shy smiles, tiny steps, and learning that being noticed can feel gentle.* —

Appy and the Ghost Who Was Afraid of Being Seen
An Appy Adventure

A Wiggle in the Mirror

Appy floated past the bedroom mirror.
The moonlight shimmered.
Something tiny wiggled behind the reflection.

The Shy Ghost

A small mirror ghost peeked out.
Appy smiled hello.
The ghost squeaked and popped back inside.

Smiles Felt Big

“I am sorry,” whispered Appy.
The mirror ghost peeked again.
“Smiles feel very bright when they are looking at
me.”

Chibub Brings Tiny Steps

Chibub floated in with a gentle idea.
“We can practice being seen,” he said.
“Only in tiny steps.”

Step One: A Toe Peek

First, Mirror Ghost showed one misty toe.
Appy looked at the rug instead of staring.
Chibub gave one soft clap.

Step Two: Half a Smile

Next, the ghost showed half a smile.
Appy smiled back very small.
The mirror did not wobble this time.

Step Three: A Whole Hello

Then Mirror Ghost floated all the way out.
“Hello,” it whispered.
Its voice was tiny, but it stayed.

Too Much Looking

A button star blinked at the ghost.
The ghost started to fade.
Chibub whispered, "Pause. Looking can be softer."

Soft Noticing

They looked beside the ghost, not straight through it.

They waved slowly.

The ghost shimmered back into shape.

Seen a Little

At bedtime, Mirror Ghost sat beside the mirror
instead of inside it.
Appy smiled gently.
Being seen a little felt just right.

About the Author

Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
