Bunubu and the Burrow Doorbell  
Being curious and welcoming can lead to wonderful friendships and adventures.

One morning, Bunubu attached a shiny golden doorbell beside his cozy burrow door. 'Now visitors can ring before they enter!' he said proudly.

The moment Bunubu pressed the button, DING-DONG! A secret tunnel popped open beneath a flower patch.

Out came Mole Momo carrying a tiny hard hat.  
'Welcome to Tunnel Number 42!' said Momo with  
a grin.

Bunubu pressed the bell again. DING-DONG! A different tunnel appeared, leading to a chamber filled with singing crickets.

The Cricket Chorus performed a cheerful song  
that echoed through the underground halls.  
Bunubu clapped along.

Curious, Bunubu rang the bell a third time. DING-DONG! This tunnel glowed with hundreds of tiny lights.

Glowworm Gigi floated forward. 'These are our cave lanterns,' she explained. The sparkling lights twinkled like stars.

One more ring! DING-DONG! A tunnel opened into a pebble museum where Turtle Tuck carefully displayed ancient stones.

By sunset, Bunubu had met new friends, heard wonderful music, and explored amazing underground places.

Bunubu left the magical doorbell beside his burrow. Every ding-dong brought a new surprise, and every surprise brought a new friend.

## About the Author

### Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
