Bunubu and the Crystal Cricket Choir
What makes us different can become our greatest gift.

One evening, Bunubu followed a beautiful melody drifting from beneath the forest floor.

The music led him to a sparkling crystal cave where hundreds of crickets sang together.

Every note made the crystals glow with different colors—blue, green, gold, and silver.

Maestro Cricket welcomed Bunubu to the Crystal Cricket Choir's grand rehearsal.

Just as the choir began singing, one little cricket
named Chirpy let out a tiny squeak.

To everyone's surprise, every crystal in the cave instantly turned bright purple.

The choir tried again, but each time Chirpy squeaked, the crystals flashed purple once more.

Chirpy felt embarrassed, but Bunubu noticed something special. The purple crystals shimmered more brightly than any others.

The choir added Chirpy's squeak to their song.
Soon waves of sparkling purple light danced
across the cave.

The concert was a magical success. Bunubu cheered as the crystal cave glowed with every color, especially Chirpy's wonderful purple.
