Sit Still

Bunubu and the Pebble That Wouldn't Sit Still

Being brave enough to meet new friends can lead to wonderful adventures.

While walking beside a sparkling stream, Bunubu spotted a smooth little pebble unlike any he had ever seen.

When Bunubu picked it up, the pebble gave a tiny wiggle. 'That is strange,' Bunubu said.

The moment Bunubu set it down, the pebble rolled away all by itself.

Bunubu chased the pebble through flowers,
around mushrooms, and over grassy hills.

Each time Bunubu caught it, the pebble wiggled and rolled away again. It seemed nervous about staying in one place.

At last, Bunubu noticed tiny feet peeking out from underneath. 'You are not a pebble at all!' he gasped.

The pebble was actually a shy baby turtle named Pip hiding inside a brand-new shell.

'I was scared to meet new friends,' whispered Pip.
'So I kept rolling away whenever someone came
near.'

Bunubu gently introduced Pip to the forest animals. Everyone welcomed the little turtle with smiles.

Soon Mama Turtle arrived and thanked Bunubu for helping Pip feel brave. From that day on, the pebble that wouldn't sit still became one of Bunubu's best friends.

About the Author

Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
