

# Bunubu and the School Van Snack Chase

— *When banana chips decide to go on a bumpy adventure under the seats, a little bunny and his electronic friend turn a rainy morning into a high-stakes, snack-saving mission.* —

Bunubu and the School Van Snack Chase  
Banana Chip Rescue Mission

## Rainy Morning Ride

The school van hummed softly as it rolled through the rainy morning streets.

Bunubu clutched his leather knapsack, his blue slicker shining.

Inside, he had a bag of his favorite golden banana chips for snack time.

## The Tiffin Escape

Bunubu reached for his tiffin, but a sudden bump made the van swerve.

\*Pop!\*

The tiffin lid flew open, and a shower of banana chips went flying across the van floor.

## The Rolling Chips

The banana chips didn't just land; they rolled under every single seat!  
“Oh no!” Bunubu cried.  
Glitchub’s screen eyes blinked quickly. “Initiating Snack Rescue Protocol!”

## Under-Seat Tunnels

Bunubu crawled into the dark space beneath the first seat.

It was a snack tunnel! He found three chips wedged next to a lost crayon.

\*Scoop!\* He put them safely in his knapsack.

## Glitchub's Portals

Glitchub didn't want to crawl.  
He tapped his grid-paddle tail and made a tiny  
digital portal appear in the floorboards.  
\*Whoosh!\* He teleported straight to the back row,  
instantly gathering five more chips.

## The Water-Bottle Blast

A chip got stuck on a high shelf near the water bottle.

Bunubu used his tiny leather knapsack as a slingshot.

\*Thwack!\* He launched a pencil that knocked the chip down, straight into Glitchub's waiting arms.

## The Obstacle Course

Glitchub kept adding game-like obstacles to make the rescue fun.

He made bouncy, colorful squares appear on the floor.

Bunubu had to jump over them to reach the final hidden chip.

## Snack Crunch Suspense

The last chip was right near the driver's seat.  
Bunubu tip-toed, but his foot landed on a loose  
chip! \*Crunch!\*

He froze, hoping he hadn't made too much noise.

## Sharing the Rescue

Bunubu sat down and opened his bag.  
He saw Glitchub looking hungry with his blinking  
loading-circle eyes.  
“We did this together,” Bunubu said, holding out a  
large golden chip.

## A Van Full of Friends

The other school friends smelled the banana chips.  
Bunubu shared every single piece with them.  
They didn't mind that the chips had been under the seat, because sharing made them taste better!

## Cozy Rainy Arrival

The van rolled to a gentle stop at the school gate.  
The rain was still pattering softly on the roof.  
Bunubu hopped off, his knapsack light and his  
heart very full.

## About the Author

### Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
