

Bunubu and the Sneezzy Dust Bunny

— Taking care of our space helps everyone feel comfortable and happy. —

Bunubu and the Sneezzy Dust Bunny
Taking care of our space helps everyone feel comfortable and happy.

One morning, Bunubu noticed his burrow rug was wiggling all by itself.

He lifted one corner and found a round, fluffy dust bunny with two tiny ears and a twitchy nose.

'Achoo!' sneezed the dust bunny. Poof! A second tiny fluffy friend appeared beside it.

Achoo!

'Hello,' said Bunubu. 'Are you really a dust bunny?' The fluffy creature nodded. 'My name is Fluffin.'

Fluffin sneezed again. Achoo! Poof! Another dust bunny bounced out and rolled under a chair.

Soon the burrow was full of fluffy friends hopping over cushions, teacups, and carrot crumbs.

Bunubu called Mila Mouse for help. Together they gently opened the windows and swept the dusty corners clean.

With less dust in the air, Fluffin's nose stopped tickling. The sneezes slowed down, and the fluffy friends gathered politely in a basket.

Bunubu made a cozy little home for Fluffin and the dust bunnies beneath the clean rug, with soft lint pillows and button beds.

From then on, Bunubu dusted every week, and Fluffin only sneezed when someone told a very funny joke.

About the Author

Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.

The End
