Bunubu and the Underground Raincloud  
Mistakes can be fixed with kindness, teamwork, and a positive attitude.

One morning, Bunubu woke up to a tiny splash on his nose. Drip. Drip. Drip. Water was falling from his burrow ceiling.

Looking up, Bunubu gasped. A fluffy little raincloud was stuck in the ceiling of his burrow.

'Oh dear,' said the cloud. 'My name is Drizzle. I got lost while floating through the forest.'

Soon puddles appeared all around the burrow.  
Bunubu had to hop carefully from dry spot to dry  
spot.

The extra water made mushrooms grow everywhere. Some even opened like colorful umbrellas.

Bunubu invited his mushroom neighbors to help.  
Together they used the giant mushroom umbrellas  
to catch the raindrops.

Everything was going well until Bunubu's carrot cake sat beneath a surprise shower. Splat! The cake became very soggy.

Drizzle felt terrible. 'I never meant to ruin your cake,' the little cloud sniffled.

Bunubu smiled kindly. With everyone's help, they baked a brand-new carrot cake and found a tunnel that led Drizzle safely back outside.

As Drizzle floated into the sky, a tiny rainbow appeared above the burrow. Bunubu waved goodbye and enjoyed a delicious slice of fresh carrot cake with friends.

## About the Author

### Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
