

# Chibub and Bunubu: The Rain Puddle Portal

— Friendship can bridge even the biggest distances when friends stay connected. —

Chibub and Bunubu: The Rain Puddle Portal  
Friendship can bridge even the biggest distances when friends stay connected.

After a gentle rain, Chibub noticed something unusual in a puddle on his rooftop.

Instead of reflecting clouds, the puddle showed a cozy underground burrow with mushroom lamps.

Far below, Bunubu looked into a puddle beside his burrow and saw Chibub waving from a rooftop.

Both friends blinked in surprise and waved back through the shimmering reflections.

When Chibub dipped a toe into the puddle,  
SPLASH! He popped out of Bunubu's puddle  
underground.

Bunubu laughed and hopped into the puddle.  
SPLASH! He arrived on Chibub's rooftop beside  
the clouds.

The magical puddles had become a rainy-day portal connecting sky and burrow.

All day long, the friends carried treats, messages,  
and tiny gifts through the splashy shortcut.

They even hosted a puddle picnic, with cloud cupcakes from Chibub and carrot cookies from Bunubu.

As the puddles slowly dried, the portal faded away. But Chibub and Bunubu smiled, knowing that every rainstorm might bring another splashy adventure.

## About the Author

### Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
