Chibub and Bunubu: The Rootslide to the Rooftop  
Big adventures are more fun when we stay calm, ask for help, and choose the safe

One morning, Bunubu discovered a twisty  
rootslide curling through the tunnels beneath his  
burrow.

The slide shimmered with moss and tiny glowing pebbles. A sign read: Hold your ears and enjoy the ride!

Bunubu hopped on. Whoosh! He slid around roots, through tunnels, and past surprised beetles.

Suddenly, the rootslide tilted upward. Bunubu zoomed higher and higher until—pop!—he landed on Chibub's rooftop.

Chibub was watering cloud flowers when Bunubu bounced onto a soft rooftop cushion.

'That was exciting,' Bunubu said, looking over the edge. 'But I do not know how to get back down without flying.'

Chibub smiled kindly. 'You do not have to fly. We can find a gentle way down.'

Together they asked the Cloud Sparrows to carry a long vine rope from the rooftop to the garden below.

Chibub tied soft cloud knots along the vine, and Bunubu climbed down slowly, one careful paw at a time.

Back in the burrow, Bunubu added a new sign to the rootslide: Check the landing first! Then he invited Chibub for a much safer ride.

## About the Author

### Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
