

Chibub and the Tablet That Needed a Nap

— A Chibub Adventure with snoring videos, sleepy screens, and the magic of bedtime mode. —

Chibub and the Tablet That Needed a Nap
A Chibub Adventure

A Snore From the Shelf

Chibub was brushing his curls for bed.
Then something on the shelf went snore-beep-
snore.
His halo blinked in surprise.

Still Playing

The tablet's eyes were half closed.
But tiny videos still popped and bounced.
One bubble showed a duck wearing a bedtime
sock.

Too Tired to Stop

“Are you awake?” asked Chibub.
The tablet snored and played another video.
“I think I forgot how to stop,” it mumbled.

Glitchub Arrives

Glitchub zipped in through a tiny pixel sparkle.
He looked at the sleepy screen.
“That tablet needs bedtime mode,” he said.

The Busy Screen

Glitchub counted the videos.
One cloud video. One cookie video. One sleepy
train video.
The tablet yawned so wide the bubbles wobbled.

Screens Need Rest Too

Chibub tucked a corner of blanket around the tablet.

“Even screens need rest,” he whispered.

The tablet blinked very slowly.

Finding Bedtime Mode

Glitchub touched the moon sticker softly.
A lavender glow opened.
The noisy bubbles slowed down.

Soft Screen, Soft Room

The screen turned hush-blue.
The videos curled up like tiny pets.
The whole bedroom felt softer.

One Last Goodnight

The tablet made one last tiny beep.
Then it snored a quiet snore.
Glitchub whispered, "Goodnight, little screen."

Bedtime Mode Magic

At bedtime, the room was quiet.
The tablet slept. Chibub slept.
And Glitchub smiled because bedtime mode
worked like magic.

About the Author

Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.

The End
