

Glitchub and the Blue Button

— A Chibub Adventure with square clouds, soft rebuilds, and one very tempting button. —

Glitchub and the Blue Button
A Chibub Adventure

A Button in the Blocks

Glitchub and Chibub were building a block tower.
Then something blue glowed under the rug.
It blinked like a tiny star.

One Little Press

Glitchub pressed the blue button once.
Pop!
The round toy ball became a soft square ball.

Square Snacks

Glitchub pressed it again.
The banana became a banana square.
Chibub blinked. “That is a very corner-y snack.”

Too Many Presses

Glitchub pressed it three more times.
The pillows squared.
The bubbles squared.
Even Chibub's yawn came out square.

Square Clouds Outside

Outside, the clouds turned into cubes.
The flowers stood like little boxes.
Glitchub held the button very still.

The Wobbly Problem

A square bird tried to fly.

Flap, flop, wobble.

A square puddle could not make a splash.

Not a Toy Forever

Glitchub looked at the button.
“I only wanted to see what would happen,” he
said.
Chibub nodded. “Now we can help what
happened.”

Gentle Rebuild

They pressed the button softly.
One thing at a time.
The bird became round. The puddle splashed
again.

Almost Round Again

The clouds puffed round.
The flowers unboxed themselves.
Only one cookie stayed square, because it liked
corners.

Button Nap

Glitchub tucked the blue button into a tiny box.
“Buttons need naps too,” he said.
Chibub smiled. “Especially powerful ones.”

About the Author

Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.

The End
