

# Glitchub and the Frozen Playground

— A Chibub Adventure with frozen swings, stuck clouds, and one missing pause button. —

Glitchub and the Frozen Playground  
A Chibub Adventure

## A Very Still Morning

Chibub floated to the playground after breakfast.  
The swings were in the air.  
So were three leaves and one surprised bubble.

## The Slide Would Not Slide

Chibub tapped the slide.

It did not slide.

Even the clouds had stopped making cloud faces.

## Glitchub Arrives

A tiny sparkle went zip-zip-zap.  
Glitchub popped out of a blinking square.  
“Oh no,” he said. “I may have paused the  
playground.”

## Everything Stayed Up

A jump rope hung in a loop.  
A ball stayed halfway through a bounce.  
Glitchub's pixel halo blinked very fast.

## Missing Button

Glitchub checked his pocket.  
The little pause button was gone.  
“Maybe it bounced away before everything froze,”  
said Chibub.

## Under the Seesaw

They looked under the seesaw.  
They peeked inside a bucket.  
They found one frozen cracker and a very still ant.

## The Wiggly Clue

Then Chibub heard one tiny wiggle.  
It came from the sandbox.  
Something yellow was hiding under a cup.

## Too Much Play

The pause button peeked out.  
“I did not want more jumping,” it squeaked.  
“Everyone needs a little rest.”

## Press Gently

Chibub nodded.  
Glitchub pressed the button gently.  
The playground gave one soft blink.

## Time to Stop

The swings swung again.  
The clouds made silly faces again.  
Glitchub smiled. “Playing is fun. Stopping is part  
of fun too.”

## About the Author

### Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
