

Luluma and the Cloud Puppy Sleepover

— A Luluma Adventure about different bedtime routines, sleepy cloud puppies, and one very official soft-snore referee. —

Luluma and the Cloud Puppy Sleepover
A Luluma Adventure

Sleepover Night

Luluma invited three cloud puppies for a sleepover.
They bounced into the room like tiny puffs of bedtime giggles.
The pillows were ready. Mostly.

Three Puppy Routines

Blanket Pup needed a nest.

Story Pup needed a book.

Humming Pup needed a song with no bumpy notes.

Appy Gets Official

Appy floated in wearing a tiny moon-yellow sash.
“I will be the soft-snore referee,” he announced.
His pillow whistle made one tiny hush-puff.

Blanket Pup's Nest

Luluma folded the lavender blanket into a soft nest.

Blanket Pup turned around three times.

Then he flopped in with a happy puff.

Story Pup's Book

Story Pup opened the picture book.
Luluma told a story about a moon cookie.
Appy gave it a quiet referee nod.

Humming Pup's Song

Humming Pup could not sleep without a hum.
Luluma hummed low and soft.
The puppy's ears drooped like sleepy
marshmallows.

Snore Check

Appy listened carefully.

One puppy snored too squeaky.

One puppy snored too fluffy. One puppy forgot to snore at all.

Not the Same Sleepy

Luluma smiled at the three different puppies.
“Everyone gets sleepy in their own way,” she
whispered.
Appy wrote that down on an invisible clipboard.

Soft-Snore Harmony

Blanket Pup puff-snored.

Story Pup page-snored.

Humming Pup hum-snored.

Together they sounded like a tiny bedtime cloud band.

The Official Goodnight

At moonrise, Appy gave one final hush-puff.
Luluma tucked the cloud puppies in their own
special ways.
The sleepover was soft, snorey, and perfectly
different.

About the Author

Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
