

Luluma and the Sleepy Moonbone

— A Luluma Adventure with puppy clouds, yawning stars, and one glowing bedtime treasure. —

Luluma and the Sleepy Moonbone
A Luluma Adventure

A Glow in the Cloud Grass

Luluma floated through the moon meadow.
The cloud grass tickled her tail swirl.
Then something pale yellow blinked under a moon
flower.

The Moonbone

Luluma lifted the little glowing bone.
It was warm like moon milk.
It hummed a tiny bedtime hum.

First Puppy Yawn

A puppy cloud bounced over.
It sniffed the moonbone.
Then it yawned so wide its floppy ears puffed out.

Yawn Parade

Another puppy cloud yawned.
Then three more yawned.
Soon the whole moon meadow sounded like tiny
sleepy wind.

Stars Getting Sleepy

Above them, one star blinked slowly.
Then another star drooped.
“Oh dear,” said Luluma. “The stars are getting
sleepy too.”

Who Lost It?

Luluma asked the puppy clouds, “Is this yours?”
They all wagged their puffy tails.
But none of them stood up to take it.

The Tiny Star Clue

A tiny star fluttered lower.
It pointed to the moon with one sleepy sparkle.
The moonbone belonged up high.

Cloud Ladder

The puppy clouds made a ladder of fluff.
Luluma climbed softly, step by step.
The sleepy stars tried very hard to stay awake.

Back to the Moon

Luluma placed the moonbone in a little moon nest.

The moon gave a happy glow.

The stars opened their eyes again.

Goodnight, Puppy Clouds

The puppy clouds curled into cloud grass.
The stars twinkled softly, not sleepily.
Luluma whispered, “Now everyone can rest in the
right place.”

About the Author

Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
