

# Nimbu and the Birthday Balloon Thunderstorm

— When a birthday party gets too loud for a little cloud toddler, a sweet cherub helps him find a peaceful path to cake. —

Nimbu and the Birthday Balloon Thunderstorm  
A Calm Corner for Cake

# The Big Party

Nimbu and Chibub went to a grand birthday party.  
The room was filled with bright banners, loud music, and laughing toys.  
Everyone was jumping, but the noise made Nimbu's gold lightning bolt twitch nervously.

## Too Much Noise

\*Pop!\* Went a party cracker. \*Honk!\* Went a loud horn.

Nimbu's pale neon-yellow mist began to swirl and spin with worry.

The music felt too close, and the games were far too fast.

## The Balloon Hideout

Nimbu needed to hide. He floated away from the dance floor.

In the corner sat a massive mountain of shiny, colorful party balloons.

He dove right into the center of the fluff, tucking his yellow mist away from the crowd.

## The Static Storm

But inside the balloon pile, a silly thing happened. Nimbu's nervous energy mixed with the smooth plastic. \*Crackle, buzz!\* Static electricity began to spark, and his neon-yellow body grew darker with stress.

## A Little Cloud Rain

Nimbu's watery blue eyes filled up with big tears.

\*Drip-drop, drizzle!\*

A tiny, warm rain shower started falling right inside the balloon pile.

"I want to go home," he whimpered to himself.

## Chibub's Search

Chibub looked everywhere for his cloud friend.  
He followed a tiny trail of stray water drops across  
the floorboards.  
It led him straight to the gently vibrating pile of  
balloons.

## Peeking Inside

Chibub gently parted two large pink balloons.  
He peeked into the secret balloon cave.  
“Hello, Nimbu,” Chibub whispered with his  
sweetest, most gentle smile.

## The Calm Corner

Chibub didn't push Nimbu back to the loud party. Instead, he climbed into the quiet space behind the balloons and sat down. He opened his hands to show a small white plate with a slice of sweet strawberry cake.

## About the Author

### Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.

# The End
