

# Nimbu and the Cloud That Wouldn't Share

— A Nimbu Adventure about sharing rain, growing flowers, and learning that kindness blooms bigger. —

Nimbu and the Cloud That Wouldn't Share  
A Nimbu Adventure

## One Rainy Patch

Nimbu floated over the garden.  
One little cloud rained on one tiny patch.  
Every other flower waited with dry petals.

## Mine Rain

“Can you rain over there too?” asked Nimbu.  
The cloud hugged its raindrops close.  
“No,” it said. “This is my rain.”

## Bunubu's Dry Carrots

Bunubu hopped in with carrot seeds.  
His little garden row was dusty.  
The cloud looked away and puffed itself bigger.

## Too Full

ShareCloud held in more and more rain.  
Its puffy belly wobbled.  
One drop slipped out and landed on Nimbu's  
nose.

## What Rain Is For

Nimbu wiped his nose and smiled.  
“Rain likes to help things grow,” he said.  
The cloud blinked its stubborn eyes.

## A Tiny Test

ShareCloud tried one little sprinkle.  
Just one.  
A sleepy seed lifted its head.

## Two Drops More

Bunubu clapped softly.  
ShareCloud gave two drops more.  
The carrot leaves wiggled hello.

## Flowers Everywhere

Then ShareCloud shared a whole soft shower.  
Pink flowers opened.  
Yellow flowers opened. Even a shy blue flower  
peeked out.

## More Than One Garden

ShareCloud looked down at all the colors.  
“My rain made more flowers,” it whispered.  
“Because I shared it.”

## Goodnight Garden

At sunset, ShareCloud sprinkled every row.  
Bunubu tucked the seeds in softly.  
Nimbu smiled. Sharing made the garden bigger.

## About the Author

### Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
