— A *Pipixel* Adventure about different shapes, happy surprises, and beauty that does not need to be ordinary. —

Pipixel and the Square Moon  
A *Pipixel* Adventure

## Moon Drawing Night

Pipixel wanted to draw the moon.  
He made stars first.  
Then clouds. Then one careful moon curve.

## The Square Oops

His crayon bumped a block.  
The curve went corner-corner-corner-corner.  
The moon became a square.

## Not Moon Enough

Pipixel stared at the picture.  
“Moons are not square,” he whispered.  
His colorful scarf drooped a little.

## Chibub Sees It

Chibub floated over.  
He looked at the square moon.  
Then his eyes got very sparkly.

## Everyone Loves It

“It has corners for dreams to sit on,” said Chibub.  
A tiny star nodded.  
Even the clouds came closer to peek.

## Square Moon Wakes

The square moon blinked awake.

It gave one shy glow.

“I thought I was wrong-shaped,” it said.

## Different Light

Pipixel touched the paper softly.  
“You are different,” he said.  
“And different can shine too.”

## Corner Glow

Pipixel added silver freckles.  
He softened the corners.  
The square moon glowed like a tiny window in the sky.

## A New Kind of Sky

The stars danced around the square moon.  
The clouds made a soft frame.  
Pipixel smiled at the new kind of sky.

## Beautifully Different

At bedtime, the picture hung by the window.  
The square moon smiled from the page.  
Pipixel whispered, “Different can be beautiful.”

## About the Author

### Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
