

School Bus Under the Sea!

— A Chibub Adventure with fish students, bubble stops, and one very soggy route. —

School Bus Under the Sea!
A Chibub Adventure

Bubble Weather

Chibub woke up to bubbles on his window.
Pop, pop, pop.
“That is not normal morning weather,” he said.

Tiny Whale Honk

A bright yellow shape rolled past the window.
It had bubbles instead of dust.
It honked like a tiny whale.

Coral School Stop

Outside floated a school bus under the sea.
Fish waved from the windows.
“Next stop: coral school!” honked the bus.

Bubble Door

Chibub fluttered through a bubble door.
The seats were soft as sea sponges.
A crab handed him a tiny ticket.

Fish Students

A goldfish carried crayons.
A pufferfish wore a backpack.
A tiny seahorse saved Chibub a seat.

Sea Traffic

The bus turned left at the kelp forest.
Then it stopped behind a slow turtle.
“Sea traffic,” sighed the bus.

Bubble Stop Three

At Bubble Stop Three, a crab began to cry.
“My backpack floated away!” he said.
Chibub looked out and saw it drifting upward.

Bubble Trails

Chibub flew after the backpack.
His wings made little bubble trails.
The bus blinked its headlights to guide him.

Coral School Cheer

The bus arrived at coral school.
The fish students cheered for Chibub.
Even the shy sea cucumber clapped.

Next Tide

After school, Sea Bus drove Chibub home.
It left one bubble ticket by his window.
“See you next tide,” honked the bus.

About the Author

Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.
