

Tractor in Space!

— A Chibub Adventure with moon dust, hay bales, and zero gravity. —

Tractor in Space!
A Chibub Adventure

Something Red

Chibub looked out at the moon. Something red rolled across the stars. “That is not a spaceship,” he whispered.

Beep Beep

The red tractor floated closer. Beep beep! It had a space helmet on its cab.

I'm Coming

Chibub grabbed his tiny star map. He flapped his wings toward the sky. “Hold on, tractor! I’m coming!”

Lost Farm

The tractor spun slowly past a comet. Its hay bale bounced behind it. "I lost my farm!" it beeped.

Moon Circles

They landed on the moon with a poof. Moon dust covered the tractor's wheels. Now it could only make tiny circles.

Boing

Chibub pushed the hay bale gently. Boing! It bounced higher than a moon mountain.

Golden Trail

Bits of hay drifted into a golden trail. The trail curved past the moon. “It points to Earth!” said Chibub.

Floating Friends

On the way home, they found floating carrots.
Then floating corn. Then one very confused cow.

Home Again

At last, Earth grew big and blue. The tractor saw its little red barn. Its headlights blinked with joy.

Goodnight Barn

The tractor parked beside the barn. Chibub tucked the hay bale nearby. The moon winked from far away.

About the Author

Vijay Kukreja

Vijay is a creative writer, technologist, and storyteller who enjoys turning simple ideas into imaginative stories for young readers. His stories are shaped by his own experiences, observations, family life, and curiosity about how technology can support human creativity.

With the help of AI tools, Vijay explores characters, scenes, visuals, and story worlds in new ways. He uses these tools not as a replacement for imagination, but as a creative partner to help bring playful ideas to life.

His goal is to create fun, warm, and engaging stories that children can enjoy, parents can share, and families can read together.

The End
